KIDS COMMITMENT CARD

GENEROSITY

We are focusing on GENEROSITY as a whole church. This month, everyone at Athens Church is learning what it means to give to God, watch Him change our hearts, and help those around us. You may be saying, "I am just a kid! I don't have a job or even my own money. What can I give?"

Your grown-ups are praying about taking steps to give to the Lord through the money He provides through their jobs. But did you know YOU have something YOU can give too... and it is right in your own house!

Ask yourself: "What do I have currently that I can give to someone who needs it more?"

Do you have a book or Lego set you loved a few years ago that someone younger would love to have? You may have just gotten some money at Christmas that you can give to God. Pray and ask God to show you something you have that you can bring to Him for Him to use to show His great love to someone else.

Our friends at City of Refuge have LOTS of kids they know who God will bless with your generous gift.
